

Eynsford Baptist Church

Images

What picture do you have of Jesus in your mind? This sketch is of the statue of "Christ the Redeemer" in Rio de Janeiro . Built on the mountain top overlooking the city, He sees everything and with arms outstretched he welcomes everyone who will come to him.

Is this the picture of Jesus that comes to mind? And of God? A gentle, loving father ready to embrace you, always looking to help and to bless. If you'd like to know more of Him, come and join us on any Sunday.
