What's it all about then?**Simples !!** We Christians can get very stuck on the complexities of faith and salvation. Salvations from what? I hear you ask - from your sins we reply, but that doesn't really answer the question.

The simple answer is that we are saved from separation from God. The bible relates the story of mankind from the beginning in Genesis, when Adam walked with God in the garden of Eden, to the end in Revelation, where we can be with God for ever more. God's plan from day one was to be in a close relationship with all mankind - that's you and me!

But mankind messed up - we all messed up! Our relationship with God breaks down when we fall into sin. Without reconciliation, we are separated from God - He's over there and we're over here . The only way we can make amends for our mistakes is to accept that Jesus has made it right with God for us. Now we can get back together, and God promises to pour out His blessings on our lives!

It really is that simple! the beginning and the end! Open and shut!
